

M20

Upgrade to smart motorway

Junctions 3 to 5

Temporary Closure of Teapot Lane Footbridge

Thurs 13 September – Mon 12 November 2018

Teapot Lane Footbridge deck is being replaced to increase the height of the bridge. This is because we are converting the hard shoulder of the M20 into a traffic lane and need to allow space for vehicles on this lane. Between September and November we will be strengthening the bridge foundations and pillars. The diversion route, via Robson Drive and Station Road, is suitable for pedestrians (+11mins) and cyclists (+5mins).

M20 Weekend Closures

J4 Leybourne – J6 Maidstone:

10pm Friday 14 September – 6am Monday 17 September*: Demolition of footbridge deck

Friday 9 November – 12 November**: Installation of the new footbridge deck.
